

Eros

- Monoflap XC
- Performance Panel
- Plain trim
- Black or Havana
- 17" or 17½"

FPER

Developed to provide optimum support for the rider and align them precisely over the horse's centre of balance, giving a greater feel of harmony.

Plain trim

Polaris

- Monoflap XC
- Performance Panel
- Plain trim
- Black or Havana
- *17", *17½" 18"

FPPO

Featuring a roomier seat and scaled-up flaps with a small block to accommodate the longer leg and/or bigger thigh.

Plain trim

Sirius

- Dual-flap jump
- Performance Panel
- Croc trim
- Black or Havana
- 17" or 17½"

FPSI

Dual-flap jump saddle which allows the horse greater freedom of movement and therefore increased clearance over the fence.

Croc trim

Also on forepiece & front facing

The following bespoke option changes can be made to the default models (above).

NB Additional cost & longer lead time

Panel: full panel* | Trim: croc, snake, plain | Welt: grey, black, Havana, tan | Stitch: grey, black, Havana, tan |

Seat size: **16½", 17", 17½", 18"** | Panel: **Performance** |

Gusset options: standard front & rear, standard front & deep rear, slim front & deep rear (Elias)

Petrus

- Monoflap dressage
- Plain trim
- Black stitch & welt

FPPE

Designed to give a greater connection with the horse, the forward seat precisely aligns the rider more 'in' over the horse's centre of balance.

Plain trim

Stella

- Monoflap dressage
- Snake trim
- Grey stitch & welt

FPST

The same saddle as the Petrus Monoflap but this version has some stylish design touches and snake print embellishment.

Snake trim
Also on forepiece

Cara

- Monoflap dressage
- Croc trim (inc front facing)
- Grey stitch, black welt

FPCA

Originally the Elias, developed to provide a fitting solution for the 'uphill' baroque types.

Now with standard gussets as default

Croc trim
Also on forepiece & front facing

The following bespoke option changes can be made to the default models (above).
NB Additional cost & longer lead time
